Gradebook Plus: A better way to grade

- More content on one page
- Faster information-load times
- Tool tips in column cells and headers
- Better accessibility

How to enable Gradebook Plus

1. Navigate to the Courses menu in the header
2. Select a course from the dropdown menu
3. Click the "Gradebook" option from the second navigation menu.

Gradebook settings

- Enable new gradebook
 - Enable gradebook plus
- Enable weighting for gradebook categories
- Gradebook summary
- Enable exempt in gradebook

More data, less loading

- Grading is even faster with more students per page
- Screen reading and keyboard navigation are improved
- Infinite scrolling can be enabled
- Filter to refine student results

The screenshot shows a gradebook interface for a 'Benchmark Course'. The top navigation bar includes 'Home', 'Courses', 'Groups', and 'Calendar'. The main navigation bar has 'Benchmark Course', 'Overview', 'Plans', 'Resources', 'Follow-up and reports', 'Participants', and 'More'. The 'Follow-up and reports' tab is active. The page title is 'Gradebook'. There is a search bar for students and filters for 'View: All groups', 'View: All categories', 'Sort: Deadline', and 'View: Points'. The table below shows student names and their scores for 12 different assessments.
