

CHRISTMAS MUSIC BINGO

Playing Christmas Music Bingo is a fun way to get everyone in the holiday spirit. You can take a break at the end of a class or at a Christmas party to see how much you and your students or friends know about Christmas music.

Get the bingo cards, the music, and start singing!

How does the Music Bingo work?

- 1 Print Bingo Cards and give it to the participants. You can easily find bingo cards online if you search for "Bingo Card Generator". Our bingo list goes from 1 to 75, so 75 must be the highest number on the card.
- 2 Use the **itslearning Christmas Playlist** instead of the regular bingo balls. Every song correlates to a number in the list.
- 3 Open the playlist and start playing songs at random.
- 4 Find the number that goes with the song and cross it out on the card. If they don't know the song, say the number out loud.
- 5 The winner can be whoever gets a row or column first, or who gets the complete card.
