Et førsteklases digitalt bibliotek

Biblioteket gjør det enkelt for lærerne å finne og dele relevant lærestoff.

The screenshot shows a web interface for a digital library. At the top, there is a navigation bar with 'its' logo and links for 'Courses', 'Groups', 'Students', 'Calendar', and 'Library'. On the right, there are notification and user profile icons for 'Albert'. Below the navigation bar, there is a 'Library' section with 'Search' and 'Your Collection' tabs, and a 'Create new' button. The main content area features a dark background with a glowing red globe icon surrounded by various educational symbols like a microscope, a book, and a magnifying glass. The text reads: 'Welcome to the Library! This is a community of teachers and authors sharing unique quality content and learning resources.' At the bottom, there is a search bar with the placeholder text 'Search for resources, authors, ...' and a 'More options' button with a magnifying glass icon.
