

When there are so many Learning Platforms on the market, how do you know which one is best for you?

The Scandinavian system that uses the learning-centric approach is ranked as the world's best education. When your ambition is to deliver outstanding results, why would you deploy anything different?

Take a look at the efficiencies of a Scandinavian approach vs other Learning Platforms.

	Scandinavian	Other Platforms
Adding a course summary / outline	★★★★☆	★★★★☆
Adding resources	★★★★★	★☆☆☆☆
Adding written assignments	★★★★★	★★★★☆
Adding tests	★★★★★	★★☆☆☆
Adding a forum	★★★★★	★★★★★
Administering in-class assessments	★★★★★	★★★★★
Finding or writing assignments and assessments	★★★★★	★★★★★
Grading assignments and assessments	★★★★★	★★★★☆
Teaching lessons	★★★★☆	★★★★☆
Communicating directly between students and teachers	★★★★★	★★★★★
Delivering a learning-centric approach by giving students a voice	★★★★★	★★☆☆☆

Offering over 40 essential features, our learning platform improves students' results, generates savings and delivers a different learning experience. Used by more than 7 million users, itslearning is more advanced than the world's largest classroom.

Backed by the best research and product developers, itslearning guarantees:

- Adding a resource takes half as many clicks and is 17% faster
- Adding a written assignment uses 37% fewer clicks
- Adding a test is 39% faster
- Grading an assignment takes less than half the time
- Communicating with students is three times faster

Key:

- ★★★★★ Task completed extremely quickly
- ★★★★☆ Task completed at reasonable speed
- ★★★☆☆ Task possible with some effort
- ★☆☆☆☆ No obvious way to complete the task

About us

itslearning is a cutting edge digital classroom where teaching and learning is transformed to deliver outstanding results. Connecting teachers, students and parents anytime, anywhere, via any device. This intuitive cloud-based Learning Platform integrates with O365 and Google apps. It increases collaboration and strengthens communication between users to help shape, support and manage a more personalised learning environment.

Founded by university students in 1999, its headquarters is located in Bergen, Norway. Serving over 7 million worldwide users and generating cost savings year on year, itslearning is a safe and secure platform which guarantees uptime availability of 99.9%.

Teaching and learning has just become smarter.
